

Welcome to Lit Kids Magazine's maiden issue!

A short summary of what we do here: Lit Kids Magazine accepts creative work from kids age 5 to 13 for online publication. After acceptance, each child pairs up with a mentor for a month-long editing process, which is completely optional, but an excellent opportunity to learn more about their area of interest! Once their work is polished until glowing, we publish the pieces on our website for the whole world to appreciate!

For our first issue, Lit Kids Magazine called for creative work about the theme FAVORITE THINGS! We received some phenomenal stories, poetry, art, and photography from all around the globe, which you'll see featured in the following pages. We're so proud of all the kids who contributed to this issue and pleased they trusted us with their work!

If you know a creative kid who enjoys writing, art, or photography, Lit Kids Magazine opens to submissions four times a year. Follow our website and social media pages for more information! Oh, and keep shining!

Happy Reading,

Rebecca Weber
