

Rishi Pramod is a 9yr old boy in Hull, England and he likes reading and writing poetry and learning music. The two go together well and he enjoys the music of poetry and the poetry of music. He loves school and has now started running just for fun.

O' Mystery o' history
by Rishi Pramod

O mystery o' history

What shall we learn today?

The wheel made in the age of bronze?

The axe forged in the fire?

O mystery o' history

What shall we learn today?

The Pyramids of Africa?

Or Independence Hall?

O mystery o' history

What shall we learn today?

The water system of Harappa?

Or the legends of Ancient Greece?

O mystery o' history

What shall we learn today?

The Colosseum of Rome?

Or the Runes of Orkney?

O mystery o' history

What shall we learn today?
