

Chloris is a fourth grader who loves art and being creative. In her free time, she likes to draw and mountain bike.

The Dirty Earth

by Chloris Kim

Litter, litter is all you do

and you go “oops, I didn’t mean to”

oh yeah, sure, you didn’t mean it.

Not even one bit

STOP LITTERING

You’re killing plants

That’s food for ants!

Don’t act like you don’t have a clue!

Nobody’s going to believe you!

How old are you again? 42?

Did you learn how NOT to litter?

You did, doesn’t seem like it at all

You act like it’s something small

The trees became tall to short

You belong in court!

And what will you say there?

“I promise I really do care”?

Ugh, please just clean your mess up

and don't cry over spilled milk in a cup

And I said it a million times

STOP LITTERING!!!

Your dirty friend
