

Noelle Lassus is a nine-year-old from Chicago, Illinois. She enjoys building towns out of cardboard, roller skating, and playing the piano.

Inside That Jar

by Noelle Lassus

Ares! Oh, Ares, inside that jar.

How is it in that 1 star hotel?

Haven't even seen one chariot ever since you got stuck in that terrible motel?

That foolish attack on the Aloadae sent you flying from Olympus,

Going far, far away.

From inside that jar, oh, Ares you're kickin'.

If only the Giants were more forgivin'.
