

Lily is 9 years old and loves dogs and her family! She also loves her friends, and especially her best friend! Her favorite colors are purple, white and black.

When Little Red Riding Hood Meets Goldie Locks!

by Liliana Todd

Once upon a time, in a far away forest, stood a girl named Little Red Riding Hood.

She was going to her Grandmother's house to give her some fresh biscuits, for a 'Get Well' gift. "Grandma will love this gift!" Little Red Riding Hood said, while glancing at the biscuits.

But then, she heard a sound coming from behind her. So she stopped skipping and immediately froze, like she was in an ice block.

Then, she turned around in terror. Her eyes were locked on the bush behind her, looking back and forth between the bush and her biscuits. She sighed in relief.

"I'm probably imagining things." Little Red Riding Hood said as she went back to skipping happily.

Then, she heard the sound again. And this time she knew that she was not imagining things anymore...

So, despite being scared, she bravely went up to the bush and.....

"AHHHHHHHHHHHHHHH," Little Red Riding Hood screamed in terror. It was a Big Gray Wolf hiding in the bushes!

"I AM GOING TO EAT YOU!!!!!!!" said the wolf in a threatening but serious way.

"AHHHHHHHH," Little Red Riding Hood screamed, as she ran for her life!

She ran, and ran, and ran, until she had lost the wolf. But, she didn't just run from the wolf, she also ran from her grandmother's house. She knew if she tried to go back to her grandmother's house, the wolf would eat her since he was still waiting for her.

So, Little Red Riding Hood walked, and walked, and walked until.....

She saw a giant red house with a sign that had bears on it. But, she had no idea that it was the three bears' house. So, she impulsively tiptoed in... And suddenly her stomach made a huge GRUMBLE sound!

She was so hungry from all the walking and running she did. So, she went up to the table and saw three bowls of porridge. She tried the first bowl of porridge. "OWWW, THAT'S WAY TOO HOT!!!!!" Little Red Riding Hood said, tongue sticking out of her mouth.

So, she went to try the next bowl. "EWWW, THAT'S WAY TO COLD!!!" Little Red Riding Hood complained.

But then, she went to the last bowl. However, she was surprised as there was nothing in it. "Huh??? Why is there nothing in this bowl???" Little Red Riding Hood said curiously.

But now Little Red Riding Hood was no longer hungry. She was now sleepy, from all the running she did today.

So, she went upstairs and went to open the door... but before she could, she heard snoring coming from the room. It sounded like someone was sleeping in there.

She opened the door and was surprised when she saw a little girl with yellow hair sleeping in the smallest bed. So, she walked over to her and gently tapped her on the shoulder.

The little yellow-haired-girl woke up and turned around...

"AHHH!!" screamed the yellow-haired girl in terror.

“AHHH!!” Little Red Riding Hood screamed back. But then, before Little Red Riding Hood could reply, the yellow-haired-girl put her hand over Little Red Riding Hood’s mouth immediately!

“SHHHH.” The yellow-haired-girl said with her finger over her lips. “Be quiet! The three bears are right outside the window!”

But it was already too late. The three bears were already walking into the house.

“OH NO!! WHAT DID YOU DO?! THEY’RE COMING IN THE HOUSE!!!!” said the yellow-haired-girl, in a losing-her-temper voice.

“Sorry! I didn’t know there were three bears outside the window?!” Little Red Riding Hood said, in a sassy little tone.

But, before the yellow-haired-girl could say anything back, the three bears had already busted through the door.

There was no other way out, but to jump out the window. So that’s what they had to do. ”AHHHHH!!” they both screamed. Luckily there was a pond of water, which they fell into.

But, the three bears were still chasing them and they ran for their life, until……. It finally came to an end!

“WOW! That was CRAZY!” The yellow-haired-girl said, as she sat on a tree stump.

“I know right!” Little Red Riding Hood said, as if a record played the scene over and over in her head.

“By the way… sorry I was being mean to you… I was just… you know… overwhelmed… about… everything… And by the way my name is Goldie Locks! Nice to meet you! And you’re?” Goldie Locks said in a meaningful way.

“No you’re fine. No need to apologize to me. I feel like that sometimes too. By the way, I’m Little Red Riding Hood! Nice to meet you Goldie Locks!” Little Red Riding Hood said joyfully.

Off they went back to grandma’s house! And luckily the wolf was no longer there!

So, Little Red Riding Hood went into Grandma’s house and gave the biscuits to her.

“Grandmother!” Little Red Riding Hood said, as she reached for a hug.

“Hello dear! Oh, and who is this adorable girl you have with you?” Little Red Riding Hood’s grandma said while looking at her.

“This is Goldie Locks. I met her at the three bears house!” Little Red Riding Hood said, as she sighed in relief.

“Oh hello Goldie Locks. nice to meet you!” Little Red Riding Hood’s grandma said, with a great, big smile on her face.

“Hello, Little Red Riding Hood’s grandmother! Nice to meet you too!” Goldie Locks said with a big grin on her face too.

So then, both of the girls told everything that happened and Goldie Locks and Little Red Riding Hood have been friends since!

And EVERYONE lived HAPPILY EVER AFTER!

THE END!
