

Jamie is a ten-year-old homeschooler living in the mountains of North Carolina. He is a birdwatcher and loves all birds, especially vultures. He also enjoys reading and gaming.

Cloud of the Sky
by Jamie Barlett

The wispy cloud
in the baby blue sky
is cheerful
on this cold winter day.

The vultures and hawks
circle high in the sky
making my spirits sway.

When I look in the sky
and it's wide with blue,
I will always cherish today.
