

Ady Yeaton is six years old and in kindergarten. She likes to take care of animals. When she's not in school, she goes to her grandparents' house and plays with their cat.

A Story About Earth

by Ady Yeaton

I like to play in nature.

I like to bounce on the trampoline.

I bounce high.

It's fun like flying.

I can see birds in the sky.

I like to watch the birds.

They fly high.

I also play on the swings.

I go high in the sky.
